Dear Parent/Guardian,

Macmillan Coffee Morning

Over two million people in the UK are now living with cancer. This figure also includes thousands of children and also means many more children than previously thought have a parent, grandparent or other living relative with the disease.

To help Macmillan raise their target for the year, Beam County Primary School has decided to join in with the 'world's biggest coffee morning' on Friday 29th September starting at 9.15 am.

To help support this event we would appreciate it if you could kindly donate cakes or biscuits for us to sell (bring them into school on 28th).

We look forward to seeing you all at this event and thank you for your continued support.

If you cannot come along to our coffee/tea morning and would like to donate to Macmillan please send your money to the school office.

Yours sincerely,

T. Whittington
Headteacher
