Reception Phonics Meeting

Dear Parents,

At Beam County Primary School we understand that you are the primary educators of your children and it is our role to help you support your children's learning. Therefore, we are running a parent meeting which will help you support your child's learning at home. This workshop will develop your knowledge and understanding of how we teach synthetic phonics and how this can help your child to become an independent reader and writer. This event has proved very popular and helpful in the past and we would encourage you to attend if you can.

We will be holding this on Wednesday 29th November at 2p.m till 3p.m and then it will be repeated at 5p.m till 6p.m. This will be held in the ICT Suite so please go to the main school entrance.

We look forward to seeing you at this event.

Yours sincerely,

Mrs K Taylor
EYFS Assistant Headteacher.
